

Day Camp at Tanadoona:

Tanadoona is the perfect place for children to spend their summer. We are passionate about getting kids outside and creating a new community that they wouldn't experience anywhere else. Here you can be yourself, learn alongside friends and caring adults, and have fun in the outdoors!

Each week of Day Camp is filled with a wide range of outdoor and nature-based activities that build character, ignite wonder and curiosity, and fill the woods with laughter. Zig-zag across Lake Minnewashta by canoe or kayak, take aim during archery in the woods, express your creative side through a variety of arts, become an outdoor survivalist and gather 'round the campfire. Adventure awaits at Tanadoona!

Scholarship Program:

We believe all youth should have the opportunity to outdoor experiences. Thanks to the support of generous community partners, camp families and other supporters, our camp programs are accessible for families facing financial hardship.

Summer camp is an influential adventure where campers of all ages explore new activities, learn new skills and make life-long friends. At Camp Fire Minnesota, we understand the importance of this and provide full and partial camp scholarships. Scholarships are awarded based on financial need and funds available.
